

Betong/Asfaltsag Wacker Ø450mm

BFS 1345 Basic

Basic floor saw, ø 450mm/18in

Item Number 0008909

Ideally suited for a wide variety of applications

The Basic floor saw is ideal for all standard cutting applications. Most of the cutting tasks on the job site can be taken care of with versatility and without complications. The simple, well thought-out design combines high performance with easy handling, allowing for a variety of applications without problems.
